

MH-PRO WC

INSTRUCTIONS

DESCRIPTION OF THE PRODUCT

1. Stainless steel expansion links, adjustable depending on the smartphone's dimensions
2. Silicone mat
3. One-click lock
4. Wireless charging area
5. Expansion link key
6. Base of mounting bracket
7. Power led
8. Switch: USB / OFF / QI
9. USB port

INSTRUCTIONS

1. Choose a suitable position to insert the mount to the handlebar of your vehicle.

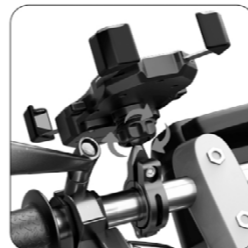

2. Tighten the nut to fix the support safely.

3. Put the fixing nut, as shown in the picture.

4. Clip into the holder (slightly force when clipped) then, screw the nut.

5. Adjust the holder to an appropriate angle and tighten the nut.

6. Now the holder is ready to be used. Place your phone into the crab; the expansion links will automatically adjust to the phone's dimensions.

7. To use the rearview mirror support, insert the mount, adjust it to the appropriate angle and fix the rearview mirror again.

8. Install the holder into the rearview mirror mount.

USING THE HOLDER

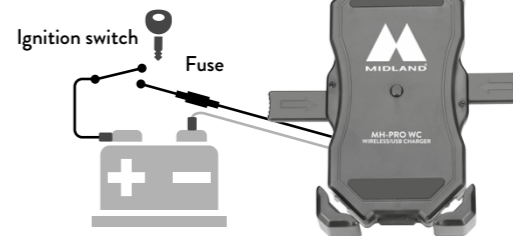

Please read the instructions carefully before using the holder.
